**OFFICE OF PETITIONS**

In re Application of :  
Joseph D. Lichtenhan, et al. :  
Application No. 09/631,892 :  
Filed: August 4, 2000 :  
Attorney Docket No. 38559-257945(6565-03) :

ON PETITION

This is a decision on the petition under 37 CFR 1.137(b), filed October 14, 2004, to revive the above-identified application.

The petition is **GRANTED**.

The above-identified application became abandoned for failure to reply in a timely manner to the final Office action mailed December 31, 2003, which set a shortened statutory period for reply of three (3) months. A three-month extension of time under the provisions of 37 CFR 1.136(a) was obtained. Accordingly, the application became abandoned on July 1, 2004.

It is noted that the block for the signature of the person making the statement of unintentional delay is not signed. Accordingly, the block for the "signature of practitioner" is signed. Nevertheless, the statement of unintentional delay in the petition is being treated as having been made as a result of a reasonable inquiry into the facts and circumstances of such delay. See 37 CFR 10.18(b) and Changes to Patent Practice and Procedure; Final Rule Notice, 62 Fed. Reg. 53131, 53178 (October 10, 1997), 1203 Off. Gaz. Pat. Office 63, 103 (October 21, 1997). In the event that such an inquiry has not been made, petitioner must make such an inquiry. If such inquiry results in the discovery that it is not correct that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional, petitioner must notify the Office.

Receipt is acknowledged of the Amendment filed October 14, 2004, with the instant petition.

Telephone inquiries concerning this decision should be directed to the undersigned at (571) 272-3229.

The application matter is being forwarded to Technology Center 1700, Art Unit 1712 for processing the Request for Continued Examination under 37 CFR 1.114 filed with the instant petition.
